TURNKEY SOLUTIONS AND INNOVATIVE PRODUCTS TO EMPOWER THE SCIENTIFIC COMMUNITY
Established in 1960 as one of the first laboratory supply companies in South Africa, Labotec have partnered with some of the world’s leading brands, bringing the best quality home to help empower laboratories and manufacturers to make more accurate diagnostic decisions, advance research methods and results and improve production performance in diverse fields such as food & beverage, microbiology, chemistry, physics, medical, industrial and pharmaceutical. Labotec technical support offers after-sales service on all our products to ensure that clients receive true value from their investment to operate effectively, efficiently and economically.
**LABORATORY BRANDS & PRODUCTS**

**Hirayama | Prestige Medical | Laboclave**
- Benchtop autoclaves
- Floorstanding autoclaves
- Pharmaceutical autoclaves
- Hospital autoclaves

**Integra**
- Electronic pipettes
- Liquid dispensers
- Flame sterilizers
- Media preparation and Petri dish pouring systems
- Liquid handling units
- Manual pipettes
- Aspiration systems
- Pipette controllers

**Julabo**
- Heating & cooling circulators
- Recirculating coolers
- Water baths
- Shaking water baths
- Calibration baths
- Visco baths
- Dynamic temperature control systems / process systems

**Labotec**
- Ovens
- Incubators
- Shaking incubators
- Low-temperature incubators
- Water baths
- Industrial hotplates
- Industrial ovens
- Industrial incubators
- Shaking water baths
- Growth chambers
- Trolleys
- Furnaces
- Platform shakers
- Steam baths
- Platelet shaker
- Riffle splitters
- Filter presses
- Ultrasonic baths
- Overhead stirrer
- Desiccators
- Water stills

**Labocool**
- General purpose fridge
Miccra

- Homogenizers

Miele Professional

- Laboratory & industrial glassware washers

MR Solutions

- Imaging systems
- MRI Spectrometers for clinical MR systems

Novasina

- Air humidity and temperature measurement systems
- Differential pressure and air velocity measurement systems
- Water activity measurement instruments

Telstar

- Freeze dryers
**Thermo Scientific**

Orion Electrochemistry Systems
- pH, conductivity, dissolved oxygen, ISE meters, turbidity, water analysis, spectrophotometers.

**Thermo Scientific**

Forma Freezers & Fridges
- Forma ULT & LN₂ freezers
- Forma CO₂ incubators
- Forma fridges & freezers
- Environmental chambers

**Thermo Scientific**

Menzel Slides & Cover Slips
- Microscope slides & cover slips

**Thermo Scientific**

Shandon Anatomical Pathology
- Histology equipment and consumables
- Cytology equipment and consumables
- Immunostainers and stains

**Thermo Scientific**

Thermo Scientific
- Growth chambers
- Environmental test chambers
- Stability chambers
- Stress screening
- Vibration chambers
- Radiation chambers
- Walk-in chambers
- Corrosion chambers

**Weiss Technik**

- Radiation chambers
- Walk-in chambers
- Corrosion chambers
INDUSTRY BRANDS & PRODUCTS

Hysitron Incorporated
- Nanomechanical test instruments
- In situ imaging
- Acoustic testing
- Dynamic testing
- Quasi-static testing

KNF
- Metering pumps
- Chemically resistant diaphragm liquid pumps
- Diaphragm vacuum pumps and compressors
- Diaphragm chemical resistant vacuum pumps

Oerlikon Leybold
- Dry-compressing pumps
- Valve components & feedthroughs
- Leak detectors

Parr
- Pressure reactors and vessels
- Cell disruption bombs
- Hydrogen apparatus
- Acid digestion bombs

Physical Electronics
- Chemical surface analysis
- Scanning Auger nanoprobe
- Scanning Esca microprobe
- Time of Flight SIMS

VAT
- Vacuum valves (gate and control)

WTW
- Water/field measuring instruments
  - pH, conductivity, dissolved oxygen, BOD, COD, photometers, turbidity
LABORATORY BRANDS & PRODUCTS

Buchi

- Rotavapor systems
- Vacuum systems
- Spray dryers
- Encapsulation
- Melting point
- Chromatography
- Parallel synthesis
- Digestion units
- Distillation/Kjeldahl units
- Fat extraction equipment
- Speed extraction
- Dumas method
- Near Infrared Spectroscopy (NIR)
- Freeze dryers

Elcold

- -20°C to -45°C chest freezers

Elga Veolia

- Water purification systems
- Deionizers
- Water stills

Erlab

- Ductless fume hoods
- Ductless storage cabinets
- PCR enclosures
- Disposable glove boxes
- Halo laboratory air purifier and air sensors

FMH Instruments

- Desiccators
- Heating blocks
- Mini hotplates

Fritsch

- Mills
- Pulverisers
- Laser particle sizers
- Sieve shakers / sieves

Hettich Lab Technology

- Centrifuges
- Incubators
- Cell washing systems

Established in 1960 as one of the first laboratory supply companies in South Africa, Labotec have partnered with some of the world’s leading brands, bringing the best quality home to help empower laboratories and manufacturers to make more accurate diagnostic decisions, advance research methods and results and improve production performance in diverse fields such as food & beverage, microbiology, chemistry, physics, medical, industrial and pharmaceutical. Labotec technical support offers after-sales service on all our products to ensure that clients receive true value from their investment to operate effectively, efficiently and economically.

LABOTEC SUPPLIES LABORATORY EQUIPMENT & ANALYTICAL INSTRUMENTS TO THE SCIENTIFIC COMMUNITY

WORLD CLASS LAB EQUIPMENT with South African-based after-sales support and service

011 315 5434  |  021 531 7660  |  031 566 4870   |  sales@labotec.co.za  |  www.labotec.co.za
grow, nurture, evolve...

Labotec is your guarantee of WORLD CLASS LAB EQUIPMENT with South African-based after-sales support and service.
